
On March 20, 2020 the Department of Homeland Security announced flexibility in requirements related to Form I-9 compliance during the COVID-19 public health emergency. Harvard’s Form I-9 process has been updated to reflect this flexibility. Form I-9 Section 2 completers should only collect I-9s for individuals who have started or will be starting work before April 15, 2020. All other I-9 collection should be deferred; please contact ufs_crt@harvard.edu for guidance with exigent circumstances. This process has been established for schools and units that are operating remotely. I-9 Section 2 completers that are physically present at a work location (i.e., essential personnel), should follow the normal I-9 collection process.

INSTRUCTIONS TO THE HIRING DEPARTMENT:

1. After the job offer has been accepted, the hiring department (“I-9 Administrator”) will email I-9 information to the new employee using Accellion/Kiteworks secure file transfer and attach:
   a. A blank copy of the Form I-9 with a link to the online Form I-9 instructions, OR
   b. A partially completed Form I-9 which allows electronic signatures (see Form I-9 with Electronic Signature COVID-19 Remote Use Only):
      a. Noting “COVID-19” in the Additional Information Box in Section 2 and
      b. Listing the employee’s first day of employment

2. Employee will complete and sign Section 1 and check appropriate box for the Preparer/Translator section (see Instructions to the Employee).

3. Complete Section 2:
   a. An adult member of the new employee’s household may complete Section 2 of the Form I-9 while on a videoconference with a Harvard I-9 administrator who will walk them through the process (see Household Member Section 2 Instructions); OR
   b. If the new employee does not have a household member who can complete Section 2, the new employee will submit the completed Section 1 (with photos of documents if possible) via Accellion to the I-9 Administrator and the remote I-9 Administrator will complete Section 2 and view the documents via videoconference.

4. Section 2 Completer must:
   a. Fully complete Section 2 document information, enter the first day of work, and electronically or manually sign the I-9 form.
   b. Ensure that a “COVID-19” notation appears in the Section 2 Additional Information box.
   c. Log into Accellion/Kiteworks and reply to the original email and attach scans or photos of the signed I-9 and Section 2 documentation. Note: Section 2 completers should make every effort to provide images of document materials; however, Central Payroll will accept completed I-9s without copies of documentation as long as Section 2 has been completed correctly and contains complete Section 2 details.

5. Upon receipt of a completed Form I-9, the I-9 Administrator must email ufs_crt@harvard.edu (subject line: “Completed I-9 Submission”) and notify them they have a completed Form I-9 for submission and indicate whether they will:
   a. Fax the materials to 617-496-3196; or
   b. Send via secure email to an email address supplied by Payroll Customer Service.

6. Payroll Customer Service (via ufs_crt@harvard.edu) will contact the I-9 Administrator (i) to specify a Payroll Customer Service contact to receive the documents via Kiteworks/Accellion or (ii) to confirm receipt of faxed documents

7. Within three business days of return to normal operations, the employee must bring their original documentation for in-person verification. Harvard I-9 Administrators are responsible for coordinating these follow up meetings. A Harvard Section 2 Completer will review the documents and note “Documents physically examined” with Section 2 Completer name and the date in the Section 2 Additional Information box.

INSTRUCTIONS TO THE HOUSEHOLD MEMBER COMPLETING SECTION 2:

Employer or Authorized Representative Review and Verification.” You must examine each original document the employee presents to determine if it reasonably appears to be genuine and to relate to the person presenting it. In the spaces provided, please record the document title, issuing authority, document number, and expiration date (if any). Note: Generally, only unexpired, original documents are acceptable, except that an employee may present a certified copy of a birth certificate. Faxes, photocopies, and laminated social security cards are unacceptable. See the list of “Acceptable Documents” for additional guidance.
